CHEN, Wei

Partner

Professional Experience

Joined JunHe in 2004, Ms. Chen Wei has rich experience in the areas of M&A, PE/VC investment and capital market. Ms. Chen also has extensive industry knowledge in the sectors of TMT (Artificial Intelligence, datacenter, cloud services, and satellite services), energy, financial services and life science.

Ms. Chen has handled a great deal of high-profile and complex projects. Ms. Chen's structure design and drafting strength as well as good business sense make her services valuable to her clients. Ms. Chen has established herself as an innovative attorney while serving clients in challenging projects.

In recent years, Ms. Chen has represented various clients to invest in, buy out or operate communication infrastructure projects and energy projects. By providing full service covering aspects of investment, acquisition, financing, construction and operation in these areas, she has been recognized as a leading legal profession in the communication infrastructure and energy sectors.

Ms. Chen has been consecutively ranked as a leading Corporate and M&A lawyer by Chambers Global and Greater China from 2024 to 2026. She has been also ranked as the "A-List Lawyers" by China Business Law Journal from 2021 to 2025. Moreover, she is recognized as a Leading Partner in the TMT and AI sectors by The Legal 500 and China Business Law Journal in 2025. She was also awarded the 2020-2022 Thomson Reuters "Stand-out Lawyers".

An M&A project between INEOS and Sinopec led by Ms. Chen has been recognized as one of the 2023 "Deals of the Year" by China Business Law Journal and 2023 "M&A Deals of the Year" by ALB.
