### Professional Experience

Mr. Jacky Lingyun HE has more than 20-year's enriching professional experience, whose major practicing areas include:

- ✓ Dispute resolution: civil and commercial litigations, commercial arbitrations, administrative litigations, etc.;
- ✓ Governmental investigations and corporate investigations: antitrust investigations and strategies, compliance investigations and strategies, other governmental investigations and strategies, etc.;
- ✓ Daily corporate matters: foreign investment-related matters and corporate operation-related matters, etc..

Mr. He has represented a variety of Chinese and foreign clients to successfully resolve a large number of dispute resolution cases, including civil and commercial litigation cases, commercial arbitration cases, administrative litigation cases, etc., before PRC courts at different levels in different provinces and different arbitration commissions. These cases cover a wide range of practicing areas, which mainly include, without limitation, foreign investment (including JVs and WFOEs), equity transfer and equity interest, corporate governance, valuation adjustment, insurance disputes, product liability, antitrust, anti-commercial bribery, securities-related disputes and frauds, accounting and auditing liabilities, construction, real estates, intellectual property rights, anti-unfair competition, financial leasing, loan and security interests, international trade, letter of credit, consumer protection, advertisement production and release, maritime, labor and employment, etc..

Meanwhile, Mr. He has enriching experience in handling antitrust investigations and crafting strategies, conducting regulatory compliance investigations and crafting strategies, advising on US FCPA-related matters, advising on various other governmental investigations and crafting strategies, acting as a PRC legal expert in court hearing out of the jurisdiction of the PRC to provide legal expert opinions, etc.. In addition, Mr. He has also successfully provided his top-notch legal services to a variety of foreign clients for their foreign investment-related matters in the PRC and to a large number of Chinese and foreign clients for their corporate operation-related matters.

As such, Mr. He has been recognized by the authoritative institute "Chambers Asia Pacific" as "Dispute Resolution Leading Lawyer": "Jacky He impresses with his practically flawless communication and command of the English language. Clients find his work extremely thorough and report wholly positive experiences with him."

In addition, Mr. He has also been recognized by the authoritative institute "ALB" as 2016 Top 15 Litigators in China.
