Competition**

Professional Experience

Sara Chen joined the firm in the Beijing office in 2005.

Sara Chen specializes in merger control law and corporate antitrust compliance matters. She helped various clients in PRC antitrust filings for their offshore and onshore transactions in broad business areas such as EMS, mining and minerals, steel manufacturing, automobiles and auto parts manufacturing, heavy duty machinery, pharmaceuticals, chemicals, cargo and transportation, energies, power transmission and distribution, hard drive disks, internet and software product services, and insurance finance, etc. She also assisted various multinational companies in government antitrust investigations.

Ms. Chen has been invited to attend various legal conferences to make presentations or speeches with respect to antitrust law and practice in China. Ms. Chen actively participates in PRC government legislation and provides comments on various drafts of relevant antitrust laws and regulations.
