Professional Experience

Prior to joining JunHe in 2012, Ms. Huang worked as an in-house counsel in Maryland, the United States for around one year and a half.

Since joining JunHe, Ms. Huang has been providing PRC legal service to domestic and multinational companies, investment banks and private equity funds in mergers and acquisitions transaction, joint venture projects, green field investment and general corporate matters. Ms. Huang has been focusing on the healthcare and life science industry and is specialized in handling pharmaceutical and medical device assets transactions, licensing deals and various cooperation projects in relation to research & development, manufacturing and commercialization activities. Her expertise in the healthcare and life science industry also includes preclinical research & development, clinical trials, registration, manufacturing, supply and distribution, marketing, advertising, tendering and bidding, adverse reaction monitoring, product recall, compliance and daily operational matters. Ms. Huang has been providing full range of legal services to numerous large scale pharmaceutical and medical device companies and high-tech innovative pharmaceutical companies, which covers the entire life circle of pharmaceuticals and medical devices.

Ms. Huang has been consistently observing the most recent development of laws, regulations and policies of the life science and healthcare industry, and is very familiar with the newly issued rules and policies. Ms. Huang has the expertise to provide practical and efficient legal services to companies in the life science and healthcare industry.

While working at JunHe, Ms. Huang has been seconded to a leading multinational pharmaceutical company to work as its PRC legal counsel for eight months.
