### Professional Experience

Ms. Li joined JunHe in November 2002 and now practices at our Dalian office. Ms. Li previously worked as a legal specialist at Dalian Metals & Minerals Import & Export Co., Ltd. In April 1993, Ms. Li joined a law firm in Dalian and focused on dispute settlement in corporate affairs and business operations.

Ms. Li has advised many multinationals and domestic corporations in general corporate affairs, investment, M&A and other relevant matters, which includes outlining contract structures, drafting contracts and negotiations. Her practice areas span banking, financing and leasing, guarantees, real estate, IT, media, the chemical industry, machinery manufacturing, retail and automobile distribution.

Ms. Li has successfully settled many complicated litigation and arbitration cases, which include international trading, unfair competition, IP, share transfers, construction contracts, financing and leasing, processing work and labor disputes. Ms. Li has accumulated extensive experience in dealing with complicated cases over her years of practice and is skilled in assisting clients by analyzing intricate legal relations, as well as supporting clients with feasible, constructive and value-added litigation and arbitration opinions.
