Commercial and Corporate Crime
Intellectual Property
White Collar Crime

Professional Experience

Mr. Donnie Wang has been practicing law for 19 years. His areas cover intellectual property, commercial and corporate crime, and dispute resolution.

Mr. Wang has advised multinational corporations across diverse industries on the management and protection of their intellectual property and has successfully handled many high-profile intellectual property cases, covering civil litigation, criminal public prosecution and criminal private prosecution. His cases included successful legal actions against the infringement of trade secrets, the infringement of certification trademarks and three-dimensional trademarks, the infringement of the copyright of three-dimensional aesthetic works.

Mr. Wang is well versed in commercial and corporate crime. He has successfully handled many criminal cases involving intellectual property crime, corruption and bribery crime, and other economic crimes for clients and helped clients setting up the criminal compliance system.

Many of his cases have been selected as model cases and guiding cases by different judicial authorities and professional institutes including the Supreme People's Court and the Supreme People's Procuratorate.

Mr. Wang is one of the "Recommended Lawyers" in the area of "Intellectual Property" and "Regional Coverage: Guangdong Province: Guangzhou and Shenzhen" in the Legal 500 Rankings.
