**Tax Law**

### Professional Experience

Mr. Wang joined JunHe in 2009 and currently practices at the Beijing office. Mr. Wang's practice focuses on international trade, customs law and tax law. Mr. Wang has represented Chinese and multinational clients to respond to trade remedy investigations conducted by China, the US, the EU, Canada and India. These investigations involve various industries, such as petrochemical, steel, paper, textiles, light and agricultural products. Mr. Wang has advised clients on a broad spectrum of domestic and international tax issues. Mr. Wang also advises clients on legal issues relating to international trade and customs, including product classification, country of origin, valuation, and customs audit. Previously, Mr. Wang practiced auditing and consulting at an accounting firm for three years.
